Greetings 8th Grade Band Parents and Students!

I hope this letter finds you well and healthy. The times we are facing as a nation are unprecedented and bring with it much uncertainty. Know that all of us in the Grenada Band family care deeply about your health and the continued pursuit of your child's learning and music making.

It is a challenge to take a performance-based class and adapt it for distance learning. We believe however, that we have found some great opportunities to keep your children progressing and involved in their music education experience. While none of this is ideal, parent support and encouragement of their children continuing their academic and musical studies during this time is paramount. We band directors are here for you every step of the way.

There are a number of items included in this packet. Students will be familiar with much of this material. We ask that any questions or work submissions be sent to their assigned section director. All director email addresses are included in the packet. Band directors will be regularly monitoring their email accounts during the times students would normally attend school.

With challenging times, it is understood that several people may be enduring financial hardship. Amro Music, our primary instrument provider, is asking for you to please call them if you are in need of assistance with instrument payments. Their goal is to do everything possible to work with so that your child continues playing and progressing on their instrument. You can reach the Amro Music finance department at 1-901-302-3315.

Making music is a wonderful way to relieve stress and escape from the troubles that we all are facing. Ask your child to play a song or a scale for you. Have them explore some of the resources included in this packet. Many technology companies are offering free subscriptions for their products. These are very fun and interactive ways to explore their musicianship. The important thing about this time is that they KEEP PLAYING!

In the meantime, please contact any of us if you have questions or concerns. We are committed to helping you in every way possible and are appreciative of your patience during this time.

Musically yours,

Drew Smiley
Director, 8th Grade Band Program
